

## **Data processing – Contact form**

### **What data is collected?**

We collect your first and last name, your e-mail address, your country and province of residence, as well as the type of information you wish to receive from us. You may also provide us, on a voluntary basis, with your postal code, telephone number, company name, and any other information you find relevant.

### **Why do we collect this data?**

Premier Tech will use this data to answer your questions and provide you with the information you request.

### **Who is the data controller?**

The data controller is Premier Tech Eau et Environnement Ltée, a Canadian company based at 1, avenue Premier Tech, Rivière du Loup (Québec) Canada G5R 6C1.

### **What is the legal basis?**

The legal basis for the processing of your personal data is the consent you voluntarily give us by ticking the box "I consent to the collection, processing and sharing of my personal data as described in the text above".

### **How long will data be stored?**

The data will be kept until you withdraw your consent.

### **Who are the data recipients?**

The data is collected by PTWE (Premier Tech Eau et Environnement).

### **How can I exercise my rights?**

You may at any time exercise your rights of access, rectification, deletion, limitation and portability by contacting us at [privacy@premiertech.com](mailto:privacy@premiertech.com).

### **Is there any data transfer outside Quebec?**

Data may be shared with third parties and, depending on your place of residence, may be transferred to Quebec, Canada or the United States, within the Premier Tech group, as well as to suppliers for data processing in order to achieve the purposes to which you consent. We are committed to implementing the necessary measures to ensure an adequate level of security in accordance with industry standards.

### **Claims**

You can assert your rights with the appropriate national authorities at any time. You can also contact us at any time at [privacy@premiertech.com](mailto:privacy@premiertech.com) with any questions or problems you may have.
