

Health & Safety Policy

In support of the Health and Safety at Work Act 1974

This is the Health and Safety Policy Statement for Premier Tech Water and Environment Ltd

Our statement of general policy is: –

- To provide appropriate control of the Health and Safety risks arising from our work activities
- To openly consult with our team members on matters affecting their Health and Safety
- To provide and maintain safe plant and equipment
- To ensure the safe handling, transportation and use of substances
- To provide appropriate information, instruction and supervision for team members
- To ensure that all team members are competent to fulfill their tasks, and to provide adequate and appropriate training
- To prevent accidents and cases of work-related ill health
- And in this manner ensure that our operational activities do not harm the Health and Safety of our team members, customers, suppliers, contractors or members of the general public
- To review and revise this policy at regular intervals
