

This is the technical data sheet for the **Rewatec gravity distribution box**. If you have any questions or comments, please contact our Customer Service team at **1 800 632-6356**.

SPECIFICATIONS

Hydraulic capacity		925 gal/d (3,500 L/d)
Discharge		Gravity
Number of outlets		1 to 7
Length	A	62" (1,575 mm)
Width	B	33.5" (850 mm)
Total height assembled	C	25.4" (645 mm)
Inlet height from top	D	15.3" (389 mm)
Outlet height from top	E	22" (539 mm)
Upper lid height	F	18.3" (465 mm)

Dose height	G	3.1" (80 mm)
Residual water height	H	2.2" (55 mm)
Overflow height	I	4" (100 mm)
Transportation mode height		20" (507 mm)
Access diameter		19.7" (500 mm)
Access lid outside diameter		24" (600 mm)
Total weight*		88 lb (40 kg)
Nominal dosing volume		18 gal (68 L)
Material		Polyethylene

* Weights are for handling and lifting purposes only. They are approximate and non-binding.
